## WITCHES SABBATH

SCENE 1

FADE IN

INT. NIGHT

Jared Jones, a sad looking 26 year old who just moved from NYC to the small ~fictional~ town of Goya, Texas.

Jared looks around his almost empty room in his new apartment, he looks at the scattered boxes that contain all of his belongings.

.  
.  
.  
.

Jared sits down and takes out his phone and a notification of a text from his girlfriend pops up. It says "I miss you baby". He closes it, opens tinder and right-swipes around 10 girls until he finally matches with Amber.

(TEXT MESSAGES)

JARED

Hey

AMBER

Hi

JARED

What are you doing tonight beautiful?

AMBER

I have no plans yet, and you?

JARED

Let's go have drinks!

AMBER

Sure, let's meet at Salem's the bar, in about an hour.

JARED

Alright, see you there.

SCENE 2

INT. NIGHT

Jared arrives at the bar, looks around to try and find his date. She's nowhere to be found, so he sits at the bar. The bartender approaches him.

.

.

.

BARTENDER

What'll you have?

JARED

A mojito, please.

BARTENDER

*(scoffs serves him a whisky)*

JARED

*(Looking confused at the drink)*

I think there's been a confusion... I ordered a mojito.

BARTENDER

Pretty boy, you're in my house,  
and that's how I make a mojito.

Jared then takes out his phone, which contained another notification from his girlfriend, maybe tagging him on a meme on Instagram idk.

.

.

Jared then locks his phone and takes a look around and that's when Amber gets in and there's a slow-mo of her walking towards him with sexy music in the background.

.

Jared stares at her with passion in his eyes, he gets lost in his thoughts then he shakes his head to snap out of it as Amber is no less than a foot away from him. Jared stands up.

JARED  
Hey! Amber right?

AMBER  
\*Giggles\* Yes, nice to meet you Jared.

They both sit down at the bar. The bartender then approaches them.

BARTENDER  
What would you like to drink?

AMBER  
Can I please get a corpse reviver numero dos, please?

BARTENDER  
One corpse reviver (raises two fingers) coming up.

As the bartender leaves he gives Jared a dirty look.

JARED  
Do you come here often?

AMBER  
Sometimes! I don't really go out, but I love the drinks here.

JARED  
I think this place is weird.

AMBER

How so?

JARED

The bartender is kind of asshole.

AMBER

\*laughs\* You're not from around here, huh?

JARED

No, I'm from New York actually. Just moved here today, why?

AMBER

Wait, isn't everyone an asshole in New York?

Jared get's a phone call from his ex girlfriend. He declines it.

AMBER (CONT'D)

You can take the call, I won't be offended!

JARED

No it's okay it wasn't important.

Jared puts his phone away nonchalantly.

AMBER

So, tell me. What brings a city boy to the fantastic small town of Goya, Texas?

JARED

Well, short answer, business.

AMBER

Short answer? What's the long answer?

JARED

I don't want to bore you with details... Are you from here?

AMBER

Born and raised

JARED

Cool, I've heard a lot of rumors about this place. About how it's full of people who practice dark magic and all the--

AMBER

\*interrupting\* \*laughs\* Those are just rumors! I have never seen anything weird happen in this boring town.

Jared calls the bartender and signals for another round.

JARED

So, Amber, tell me about yourself.

.

.

.

.

.

MONTAGE OF THEM TALKING AND DRINKING, ASKING FOR SHOTS AND STUFF WITH CHILL MUSIC IN THE BACKGROUND FOR LIKE 1 MINUTE

JARED (CONT'D)

Excuse me, I'll be right back.

.

.

.

Jared stands up, and walks to the restroom. He is drunk. He goes into the restroom, looks at his phone and he has 3 missed calls from his girlfriend. He calls her back.

JARED (CONT'D)  
Hey babe, what's up?

GIRLFRIEND  
Why haven't you been answering my calls?  
You had me worried sick!

JARED  
Sorry babe, I was way too tired when  
I got to the apartment so I fell  
asleep and I'm barely waking up.

\*2 second silence\*

JARED (CONT'D)  
I miss you. Sleeping alone sucks.

GIRLFRIEND  
Aw baby, I'm sorry. I wish I was there  
to keep you company.

JARED  
It's okay love, it's late go to bed.  
We'll talk tomorrow.

GIRLFRIEND  
Okay baby, good night. I love you and  
I miss you.

JARED  
Love you too, bye.

Jared hangs up the phone and washes his face. He looks in the  
mirror and then he goes back inside the bar.

.  
.  
.  
.  
.

Amber is talking on the phone but she hangs up as Jared is  
about to get to her.

AMBER  
(Hanging up the  
phone) Okay buh-  
bye.

JARED Hey,  
Everything okay?

AMBER  
Yeah, I just got invited to a party,  
it's pretty close to here, you'd  
want join?

JARED  
A pretty girl, inviting me to a  
party, of course I want to go. Let me  
just get the check and we'll leave.

Jared calls the bartender and gives him the sign for the  
check. Jared pays, they both stand up. As they walk away the  
bartender says something to Amber.

.  
.  
.

BARTENDER  
Have a good night, and be safe Amber.

AMBER Of course,  
Andy! See you soon!

As soon as he says that Jared turns to Amber.

JARED  
Do you know him?

AMBER  
\*Laughing\* Yeah, we all know each other  
here.

JARED  
Damn it, now I feel like a douchebag.

AMBER  
It's okay, you were right about him.  
He's kind of an ass.

They walk out the bar.

## SCENE 3

## EXT. NIGHT

Amber is walking and Jared follows her but he starts getting dizzier. He can barely keep up with her. Amber is walking very playfully, looking very inviting and flirty.

.

.

.

.

.

.

.

AMBER Come on,  
you're falling behind.

Amber reaches for Jared's hand.

AMBER (CONT'D)  
We're here!

Amber stops in front a creepy door, there's odd music inside. Jared is confused but he's too drunk to care.

.

.

.

## SCENE 4

## INT. NIGHT.

They walk inside and there is a group of around 15-20 girls standing around talking and dancing. They're all dressed in black. There's funky music playing

.

.

JARED Are we in a  
lesbian goth bar?

AMBER

\*Laughs\* No silly, this is my friend's  
house.

JARED

House? \*burps\*

AMBER

Yes. It's their house. Think of it as  
a sorority.

Jared has a "vision" kind of where he blacks out and then when he opens his eyes all the girls are staring blankly at him, very hostile. But when he opens them again everything is normal.

.

.

.

When they get to the "bar", Amber takes a tablet of her purse and shows it to Jared. Jared gives her a confused look, but tries to look cool so he reaches his hand towards her to grab it, that's when Amber seductively puts it on her mouth and leans in to give Jared a kiss and ultimately share the tab.

.

.

Jared takes advantage of the situation by starting to grab Amber's face when they kiss, then he starts lowering his hands down to her back and before he reaches her butt Amber quickly pulls away. Jared bites his lip.

.

.

.

.

AMBER (CONT'D)

Hey, I'm going to go get us  
something to drink, want anything?

JARED

Uhm, well... I thi- I don- Uhm...  
Can you mix alcohol with-?

AMBER \*laughs\*

I'll be right back.

As Amber walks away, Jared starts stumbling. He then starts  
getting strobe light like vision. He looks up and all the  
girls are staring at him.

He blacks out for a second.

There a high pitch ringing.

He opens his eyes again then the girls start walking towards  
him. He can't move. He blacks out again.

He's cornered, the girls are coming closer. The ringing  
continues. He blacks out.

He wakes up, three girls are taking off his shirt while the  
other girls are chanting in another language holding candles  
and goblets. He blacks out.

He's on the floor, he looks up and Amber is walking towards  
him. She's holding a knife, there's four girls holding him  
down, the rest are dancing and chanting. He blacks out. The  
ringing continues.

He wakes up again, Amber is on top of him, holding the knife  
up to her head, ready to stab him. The other girls get closer  
and start chanting faster.

JARED

\*trying to speak\* pl-ple-please  
don't do this. \*sobs\*

Amber puts the knife near Jared's neck.

AMBER

I'm sorry. This must be done.  
Your blood will serve my sisters.

She then proceeds to stab Jared and feast on his blood. She starts licking the blood out of the knife, then out of the wound.

Jared screams but the audio is muted. The girls are all covered in blood, they're enjoying it.

She stabs him a couple more times until he's finally dead. The girls keep feasting on the blood.

Amber gets up, drops the knife, and cleans up her face with her kimono.

Then walks out the door of the coven, grabs her phone from her pocket and goes onto Tinder. She has a new match.

She opens it, they set up a date, and it starts all over again.

THE END
